

2010 BOOKING FORM CORE REGIONAL TRAINING COURSES

RMC CONSULTANCY

RMC Consultancy provides training to housing associations, local authorities and ALMOs aimed at improving understanding and management of CORE, and promoting use of CORE data. Our courses are subsidised by the Tenant Services Authority and Communities and Local Government who recognise the importance of CORE training. In 2005 RMC won a four year contract to deliver CORE training until March 2010.

NOT SURE WHICH COURSE TO ATTEND?

If you are not sure which course is the most suitable please refer to the Training Matrix (you can download a Pdf version from our website www.rmc-consultancy.org.uk) which highlights who each course is aimed at and who would also benefit from attending. The document also gives full details of each course – aims, course outline, learning objectives and who should attend. If you are still unsure give Suzanne a call on 01769 580380.
